

Parent/Guardian Consent To Use An Online Service That May Contain Personal Information

Dear Parent or Guardian:

Mr Sangha's students at McNair Secondary would like to use an Internet-based service to create informative websites, presentations, and other educational projects through technological sites . Weebly, Prezi, Kahoot, Animoto and other sites) () is the name of the website we plan to use. This website is a service that (allows students to create informative websites, presentations and projects using the Internet. Access to this service will be (by other students in the class or by the teacher and will be limited access via ID/password generated by the students).

Because of the nature of the use of this website, some personal information including (first names and school names) will be stored on secured servers located (outside of Canada - usually on US servers.). You should be aware that information that is stored outside Canada might be subject to the laws of foreign jurisdictions including, in the United States, the U.S.A. Patriot Act. Privacy legislation requires that we inform you on this and obtain your consent to this arrangement.

Please return this form, signed and dated, to your child's teacher as soon as possible after receiving this form from your child.

If you do not consent, or if you do not return this form, the website detailed above will not be used by your child.

Consent from Parent or Guardian

I understand that information contained in the Internet-based service called (- see above) may be stored/accessed outside of Canada. I hereby consent, on behalf of my child and me, to my child using this website on these terms.
